

Statistics for and with Physical Scientists

R Pruim

May 16, 2014

Some History

- 0 Biology asks for feedback on math/stat in lab manual
 - not a physical science, but got the ball rolling
- 1 Physic Dept. asks for feedback on their data analysis manual
 - has lead to annual summer conversations

Some History

- ① Biology asks for feedback on math/stat in lab manual
 - not a physical science, but got the ball rolling
- ① Physic Dept. asks for feedback on their data analysis manual
 - has lead to annual summer conversations
- ② Creation of new Stats course for Engineers
 - 2-hour required course, spring sophomore year
 - taught for 2 years by colleague, 2 years by me
- ③ Creation of home-brewed materials to teach engineers
 - used this spring for second time
- ④ Interaction with 2 engineers about topics, data, etc.
